OceanWorks International Nominated as Finalist for the BC Export Awards

Vancouver, BC – OceanWorks International has been nominated as one of the 3 finalists for the BC Export Awards under the category of “Advancing Technology and Innovation”. It is a great honor to be selected as one of the twenty-five Finalists amongst many reputable companies in British Columbia in different categories.

The management team at OceanWorks will be attending the award ceremony and luncheon on November 23rd to celebrate this significant achievement. “We are honored to be nominated; this is strong proof of our industry presence. OceanWorks International will continue to pursue excellence and contribute to the BC economy with our many exports” said Rod Stanley, CEO of OceanWorks International.

The BC Export Awards annually seeks out BC's Top 25 Exporters and honors them for their excellence and achievements in 12 categories, including ten directed at firms and two at individuals. The Awards are presented by the Government of British Columbia and the BC Division of Canadian Manufacturers & Exporters with support from annual sponsors. It is the oldest awards ceremony of its kind in Canada.

OceanWorks International is an internationally recognized subsea technology company specializing in the design and manufacture of manned / unmanned subsea systems and specialized equipment for military, oil and gas, scientific, and other marine markets. Offering a full range of subsea system engineering, design and analysis, fabrication, testing, and project management services, OceanWorks has been at the cutting edge of deep submergence and diving technology, operations, and support for over 20 years.
