## OceanWorks International Exhibiting at Subsea Tieback March 4<sup>th</sup> to 6<sup>th</sup>

OceanWorks International will be exhibiting at the Subsea Tieback conference in San Antonio Texas March 4<sup>th</sup> to 6<sup>th</sup> at the Henry B. Gonzalez Convention Center. Over 200 exhibitors and 3,000 attendees are expected to participate.

Subsea Tieback is a leading tradeshow for the subsea Oil and Gas industry offering new product, technology, and best practices information. Members of the OceanWorks International team will be manning booth #2021 throughout the event including OceanWorks CEO Rod Stanley.

OceanWorks International is a subsea engineering and design firm specializing in the oil and gas, military, scientific, and environmental markets. OceanWorks International has been at the cutting edge of Subsea Oil and Gas support structures, tool, deep submergence and diving technology, operations, and support for over 20 years.
